Contra Range parts (for C and Bb instruments)

Piano

Organ (strings reduction)

Keyboard/Synth (strings reduction)

ARRANGEMENT NOTES

The “Flex Orchestra” allows any smaller combination of instruments to play along with the arrangement. Rather than orchestrating for particular instruments, this version is orchestrated for instrument *ranges*. Band/rhythm parts can be used with this arrangement (purchased separately).

See the “**Flex Orchestra Guide**” for more information and instrument lists.

COPY PERMISSION

Instrument part copies may be made for as many instruments or stands as needed. Copies for choir (either supporting choir or choir lead/octavo) must be purchased separately for each choir member. Lead sheets and chord charts must be purchased separately.
